

BULLARD KIDS' PARK | WATER SHUT OFF

We will be turning off the water to all drinking fountains and restrooms at Bullard Kids' Park for the winter season starting Today, January 3, 2022.

Winterizing helps protect from damage during freezing temperatures and prevents unnecessary repair and labor costs.

Please remember to bring your own water when visiting the park in the coming months. Water will turn on again in the Spring once the risk of freezing temperatures has passed. We will continue to make updates as they become available.

For more information, please contact us at (903) 894-7223.
