

## **Irrigation Water Meter**

Meter set fee (includes water meter, check valve & labor)	\$550.00
Bull head tie in (includes parts & labor to install)	\$150.00
C.S.I (Customer Service Inspection)	\$35.00
Deposit (Residential + service fee)	\$175.00
Total	\$910.00

This is the cost to have another water meter set for the purpose of irrigating the yard only. The irrigation meter does not have a trash bill or sewer bill associated with it.

**It is the homeowner's responsibility to have a licensed plumber connect the new irrigation meter to the existing irrigation system after the new meter is set.**

Please contact City Hall at 903-894-7223 ext.101 to get service started or if you have any questions on getting a separate water meter set for your irrigation needs.
